## HEALTH CERTIFICATE

Non Heat Seal teabag paper 12.3g/m<sup>2</sup>

Are produced on the latest level of technical knowledge for the paper and are produced with raw materials and additives, which are in compliance with the legal requirements for materials and articles to come in contact with food

In detail the legal rules are:

Regulation (EC) No.1935/2004 of the European Parliament and the council

American FDA regulations 21 CFR ch1 § 176.170 + 176.180

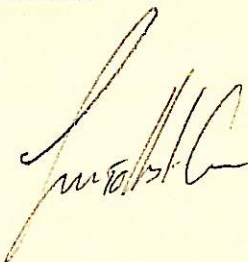

German foodstuffs consumer and animal feed code (LFGB) §30+31

Recommendation XXXVI and XXXVI/1 of the BfR (German federal institute of Risk assessment).

The tea filter papers fulfil, if used under the regulations of their destined usage, the requirements for packaging material for foodstuffs of the a.m. legal rules and recommendations.

Tea filter papers produced by Devon Valley Ltd. are regularly tested in accordance to the a.m. rules through an independent institute and have got the certificate of conformity.

It therefore follows that the tea filter papers by Devon Valley Ltd. will be free of substances which might endanger health. They may be used safely for the hot filtration of foodstuffs.
